Audit Committee Charter

Purpose of the Committee

The Audit Committee (the “**Committee**”) is a committee of the Board of Directors (the “**Board**”) of American Realty Capital New York City REIT, Inc. (the “**Company**”). Among other things, the Committee is responsible for oversight of the Company’s independent auditor and internal auditor, as applicable, who shall report directly to the Committee. The Committee shall assist the Board in undertaking and fulfilling its responsibilities in monitoring (i) the Company’s financial reporting process, (ii) the integrity of the financial statements of the Company, (iii) the Company’s compliance with legal and regulatory requirements, (iv) the independence and qualifications of the Company’s independent and internal auditors, as applicable, and (v) the performance of the Company’s independent and internal auditors, as applicable. The Committee shall report regularly to the Board. In discharging its oversight role, the Committee is empowered to investigate any matter brought to its attention with full access to all books, records, and facilities of the Company and the authority to engage independent counsel and other advisors as it determines is necessary to carry out its duties. The Company shall provide funding required by the Committee to discharge its responsibilities, including the payment of fees and expenses of the Company’s independent and internal auditors, as applicable, and fees and expenses of other advisors and consultants retained by the Committee pursuant to this Charter.

Membership of the Committee

The Committee shall consist of two or more directors, each of whom, in the judgment of the Board, meets the independence requirements of law, rules and regulations applicable to the Company, including the provisions of Section 10A of the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”) and the rules and regulations of the SEC, each as in effect from time to time. Each member of the Committee shall be financially literate, as determined by the Board. It is the Company’s intention that at least one member of the Committee shall, in the judgment of the Board, have the requisite accounting or financial management expertise to qualify as a “financial expert,” as defined in Section 10A of the Exchange Act and the rules and regulations of the SEC.

Committee members shall not serve on the audit committees of more than two additional public companies during the period of their respective service on the Committee, unless the Board determines that such simultaneous service on the audit committees of more than three public companies would not impair the ability of such member to effectively serve on the Committee.

Powers and Responsibilities of the Committee

The powers and responsibilities of the Committee are set forth below. These are in addition to powers and responsibilities that the members of the Committee may have as directors of the Company or as members of other committees of the Board. The Company’s management and independent auditor are responsible for the planning and conduct of the annual audit of the

Company's financial statements and determining that the Company's financial statements are complete and accurate and prepared in accordance with United States Generally Accepted Accounting Principles ("GAAP"); such function is not the responsibility of the Committee.

15. Review analyses prepared by management and the independent auditor of significant accounting and financial reporting issues and judgments made in connection with the preparation of the Company's financial statements, including an analysis of any significant changes in the Company's selection or application of accounting principles, all critical accounting policies and practices used, any off-balance sheet financial structures, and the effect of alternative GAAP methods on the Company's financial statements, and of non-GAAP financial measures or information, including the use of "pro forma" or "adjusted" financial data included in financial reporting.
16. Review matters that have come to the attention of the Committee through reports of management, legal counsel and others, that relate to the status of compliance and
